

# Diamonds in the Mine - Leonard Cohen

**G** **F**  
The woman in blue, she's asking for revenge  
**G** **F**  
The man in white that's you, says he has no friends  
**G** **F**  
The river is swollen up with, rusty cans  
**G** **D**  
And the trees are burning in your promised land

## Chorus

**C** **G**  
And there are no letters in the mailbox  
**C** **G**  
And there are no grapes upon the vine  
**C** **G**  
And there are no chocolates in the boxes anymore  
**D** **G**  
And there are no diamonds in the mine  
**D** **G**  
And there are no diamonds in the mine

**G** **F**  
Well you tell me that your lover has a broken limb  
**G** **F**  
You say your kinda restless now and it's on account of him  
**G** **F**  
Well I saw the man in question it was just the other night  
**G** **D**  
He was eating up a lady where the lions and christians fight

## Chorus

There is no comfort in the covens of the witch  
Some very clever doctor went and sterilised the bitch  
And the only man of energy, yes the revolution's pride  
He trained a hundred women just to kill an unborn child

Chorus x2
