

Common People - PULP

[C] She came from Greece she had a thirst for knowledge
She studies sculpture at St. Martins College
That's where [G] I caught her eye
[C] She told me that her dad was loaded
I said "In that case I'll have a rum and coca-cola"
She said [G] "fine" and in a thirty seconds time she said

[F] "I want to live like common people,
I want to do whatever common people [C] do
I want to sleep with common people,
I want to sleep with common people like [G] you"
Well what else could I do', I said "I'll see what I can [C] do"

I [C] took her to a supermarket
I don't know why but I had to start it some [G] where - so it started there
[C] I said "Pretend you've got no money"
She just laughed and said "Oh, you're so funny"
I said [G] "Yeah, well I can't see someone else smiling in here

Are you sure you [F] want to live like common people
You want to see whatever common people [C] see
You want to sleep with common people
You want to sleep with common people like [G] me
But she didn't understand, she just smiled and held my [C] hand

Rent a [C] flat above your shop, cut you hair and get a job
Smoke some [G] fags and play some pool, pretend you never went to school
But still you'll [C] never get it right, 'cos when you're laid in bed at night
watching [G] roaches climb the wall, if you called your dad he could stop it all

[F] You'll never live like common people
You'll never do whatever common people [C] do
You'll never fail like common people
You'll never watch your life slide out of [G] view
And dance and drink and screw because there's nothing else to [C] do

[C] [G] [C] [G] Stabs!!

[F] Sing along with the common people,
Sing along and it might just get you [C] thru'
Laugh along with the common people
Laugh along even though they are laughing at [G] you
And the stupid things that you do
Because you think that poor is [C] cool

[C] Like a dog lying in a corner they will bite you and never warn you
look [G] out, they'll tear you insides out
[C]'Cos everybody hates a tourist especially one who thinks that it's all
Such a [G] laugh and the chip stains and grease will come out in the bath

you will [F] never understand how it feels to live your life
With no [C] meaning or control and with nowhere left to go
You are [G] amazed that they exist and they burn so bright
Whilst you can only [C] wonder why

Rent a flat above your shop, cut you hair and get a job
Smoke some [G] fags and play some pool, pretend you never went to school
But still you'll [C] never get it right, 'cos when you're laid in bed at night
watching [G Stabs!] roaches climb the wall, if you called your dad he could stop
it all

[F] You'll never live like common people
You'll never do whatever common people [C] do
You'll never fail like common people
You'll never watch your life slide out of [G] view
And dance and drink and screw because there's nothing else to [C] do

I want to live with common people like you
I want to live with common people like you
